There will be created a North Carolina non-profit corporation, known as Westfall Homeowners Association, Inc., which shall be responsible for the maintenance, management and control of the Common Areas and upon each Lot and Dwelling Unit as more specifically set forth in this Declaration.

Section 4.2 Board of Directors and Officers. After the Declarant releases its any right to name the members of the Board of Directors, the Class A Members of the Association shall select the Members of the Board of Directors. The members of the

Board of Directors named by the Declarant may, but need not, be Owners. After the Declarant releases its right to name the Members of the Board of Directors, all Directors must be Owners. The Board of Directors, and such officers as may be elected or appointed in accordance with the Articles or the Bylaws, shall conduct the affairs of the Association. The Board of Directors may also appoint committees and managers or other employees and agents, who shall, subject to the general direction of the Board of Directors, be responsible for the day-to-day operation of the Association.

Section 4.3 Rules and Regulations. By a majority vote of the Board of Directors, the Association may, from time to time adopt, amend and repeal Rules and Regulations with respect to all aspects of the Association's rights, activities and duties under this Declaration. The Rules and Regulations may, without limitation, govern use of the Subdivision, including prohibiting, restricting or imposing charges for the use of any portion of the Subdivision by Owners, Residents or others, interpret this Declaration or establish procedures for operation of the Association or the administration of this Declaration; provided, however, that the Rules and Regulations shall not be inconsistent with this Declaration, the Articles, Bylaws or the terms of the Roadway Declaration. Such Owner and Member shall abide by the Association's Rules and Regulations, shall pay the Assessments provided for in this Declaration, when due, and shall comply with decisions of the Association's governing body. Section 4.5 Classes of Membership. The Association shall have two (2) classes of Membership:

4.5.1 Class A Members. Every person, group of persons, or entity which is a record Owner of a fee interest in any Lot within the Property, shall automatically be a Class A Member of the Association except the Declarant during the Development Period; provided, however, that any such person, group of persons or entity who holds such interest solely as security for the performance of an obligation shall not be a Member. A Class A Membership shall be appurtenant to and may not be separated from ownership of any Lot that is subject to Assessment. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership. In the event that more than one person, group of persons or entities is the record Owner of a fee interest in any Lot, then the vote for the membership appurtenant to such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot. In the event agreement is not reached, the vote attributable to such Lot shall not be cast.

4.5.2 Class B Member. The Class B Member during the Development Period shall be the Declarant. The class B Membership shall cease and be converted to Class A membership upon the expiration of the Development Period.

4.5.3 Voting. Each Member shall have one vote with respect to each Lot owned by such Member, on any question called for a vote of the Members.

Section 4.6 Maintenance Obligations of the Association. The Association, at its expense, shall maintain, operate and keep in good repair, unless such obligations are assumed by any municipal or governmental agency having jurisdiction thereof, the Common Areas and all improvements located thereon for the common benefit of the Subdivision. This shall include, without limitation, the maintenance, repair, replacement and painting of the following landscaping and improvements (to the extent that such improvements or landscaping are located upon or constitute Common Areas): (a) all driveways, pavement, sidewalks, walkways and uncovered parking spaces; (b) all lawns, trees, grass and landscape areas, shrubs and fences, except as otherwise set forth hereinbelow; (c) all conduits, ducts, utility pipes, plumbing, wiring and other facilities which are part of or located in, or for the furnishing of utility services to, the Common Areas and which are not for the exclusive use of a single Dwelling Unit.

The Association shall make the determination as to when maintenance, repair, replacement and care shall be done, and its determination shall be binding. The Association shall also perform the other duties prescribed by this instrument or the Association's Rules and Regulations.

Section 4.7 Maintenance Obligation of the Lot Owners. The responsibilities of each Lot Owner shall include:

4.7.1 To clean, maintain, keep in good order, repair and replace at his or her expense all portions of his or her Lot and Dwelling Unit. Any repair, replacement and maintenance work to be done by an Owner must comply with any Rules and Regulations of the Association including architectural control and visual harmony.

4.7.2 To perform his responsibilities in such manner so as not unreasonably to disturb other persons residing within the Subdivision.

4.7.3 Not to alter the exterior of his Dwelling Unit in a way that would violate the design standards of these Restrictions, without the written consent of the Association.

4.7.4 Not to impair the use of any easement without first obtaining the written consents of the Association and of the Owner or Owners for whose benefit such easements exists.

4.7.5 Each Lot Owner shall be deemed to agree by acceptance of delivery of a deed to a Lot, to repair and/or replace at his or her expense all portions of the Common Areas which may be damaged or destroyed by reason

of his or her own intentional or negligent act or omission, or by the intentional or negligent act or omission of any invitee, tenant, licensee family member, including, but not limited to any repairs necessary which result from damage incurred by pets or vehicles owned by the Lot Owner, or owned by any guest, invitee, Tenant or licensee of such Lot Owner. To the extent that any Common Area is damaged as an insurable loss and the proceeds from the Association's insurance policy are utilized to pay for the loss, the Owner shall be responsible for payment of the deductible as an Individual Assessment in accordance with Section 5.4 below.

ARTICLE V

COVENANT FOR ASSESSMENTS

Section 5.1 **Regular Assessments.** Regular Assessments for the payment of the Common Expenses shall be made in the manner provided herein, and in the manner provided in the Bylaws. The Regular Assessment is established for the benefit and use of the Association and shall be used in covering all of the Common Expenses. Regular Assessment shall be \$480.00 annually for all improved lots. Regular Assessments shall be \$180.00 annually for unimproved lots. Owners of unimproved lots may not have the use of the subdivision amenities, such as the pool and clubhouse, unless they pay a full Regular Assessment on at least one lot in the Subdivision. The lower Regular Assessment is intended so that those who own lots that are unimproved will only be paying for maintenance of the entry and other common areas, not including the pool and club area. This also allows for the purchase of multiple adjoining lots for placement of only one home without having to pay a full Regular Assessment on all of the lots. Finally, this also allows for the purchase of lots for investment or future building, without having to pay full Regular Assessments. Provided, that the Regular Assessment for an unimproved lot can never be higher than 40% of the Regular Assessment on an improved lot. Further provided that for purposes of the Constituent Documents, an "improved lot" is defined as any lot on which construction of a Dwelling Unit has commenced by January 1 of the year for which Regular Assessments would accrue.

Section 5.2 **Special Assessment.** In addition to levying Regular Assessments, and to the extent that the reserve fund is insufficient, the Board of Directors may levy Special Assessments to construct, structurally alter, or replace improvements which are a part of the Common Areas, provided that funds shall not be assessed for any capital improvement in excess of Ten Thousand and 00/100 Dollars (\$10,000.00) for any one item or in excess of Twenty Thousand and 00/100 Dollars (\$20,000.00) in the aggregate in any one calendar year ("Capital Expenditure Limit") without the prior written consent of two-thirds (2/3) of the votes of each Class of Members who are voting either in person or by proxy at a meeting duly called for such purpose or unless expressly stated in the annual budget. The Board of Directors shall have the authority to adjust the Capital Expenditure Limit annually to account for inflation, which adjustment shall be effective each January (hereinafter referred to as

the "Adjustment Date") commencing January 1 of the next year following the year during which the sale of the first Lot by Declarant. As of each Adjustment Date, the Capital Expenditure Limit shall be increased from the Capital Expenditure Limit on the date of this Declaration ("Effective Date") by a percentage equal to the percentage increase, if any, in the Consumer Price Index, All Urban Consumers ("CPI-U"), (1982-1984=100), All Items, as compiled and published by the Bureau of Labor Statistics, U.S. Department of Labor ("CPI") from the Effective Date to the Adjustment Date. If after the date of this Declaration the CPI is converted to a different standard reference base or otherwise revised or ceases to be available, the determination of any new amount shall be made with the use of such conversion factor, formula or table for converting the CPI as may be published by any other nationally recognized publisher or similar statistical information reflected by the Board. Until the expiration of the Development Period or the date on which Declarant no longer owns a Lot, whichever is earlier, Declarant shall be one of the consenting Members, or the capital improvement shall not be made. The Board of Directors shall calculate each Lot's proportionate share of the Special Assessment for the capital improvements, and shall give the Lot Owner(s) written notice of the proportionate share and of the date(s) that the Special Assessment is due and payable. Notwithstanding the foregoing, Declarant shall have no obligations to pay any Special Assessment with respect to any Lot owned by it unless there is a Dwelling Unit located upon the Lot that is occupied as a residence.

Section 5.3 Working Capital Assessment. Upon the initial transfer of record of the Lot from the Declarant (or successor declarant or designated declarant) to the Lot Owner (other than a successor declarant or designated declarant), the purchaser is required to pay a pro-rata share of the Regular Assessment due in the month of closing.

Section 5.4 Individual Assessment. In the event that the need for maintenance, repair or replacement of any improvement on the Property, for which the Association has the maintenance, repair and/or replacement obligation, is caused through the willful or negligent act of an Owner, his family, his pet(s), or his Resident, then the cost of such maintenance, repairs or replacements shall be paid by such Owner. The Board shall have the maintenance, repair or replacement done, and the cost thereof shall be provided by the Board to said Owner and shall be paid by said Owner within thirty (30) days thereafter, unless an earlier date is otherwise set forth herein.

Section 5.5 Date of Commencement of Assessments; Due Dates; Determination of Regular Assessments; Fine Assessments.

5.5.1 The monthly Regular Assessment provided for herein shall commence as to each Owner of a Lot, except Declarant, on the first day following the initial conveyance of the Dwelling Unit to the Owner and shall be adjusted according to the number of days remaining in the month. The Declarant, its successors and assigns, shall not be required to pay the Regular Assessment for any Lot which it owns until such time as Declarant transfers the Lot to a third party. The Board of Directors shall fix the amount of the monthly Regular Assessment to be paid by each Class A Member against each Lot at the beginning of each calendar year. Written notice of the monthly Regular

Assessment shall be sent to every Class A Member subject thereto. The Board of Directors shall establish the due dates.

5.5.2 The Board of Directors, or an adjudicatory panel established by the Board of Directors, may levy a reasonable Fine Assessment, as a fine or penalty for violation of this Declaration, all in accordance with the Planned Community Act. A lien may be filed for this Fine Assessment and this Fine Assessment may be enforced by foreclosure and otherwise treated as a Regular Assessment.

5.5.3 Both Regular and Special Assessments for a Lot Owner shall be determined by the Association based upon the proportion that each Lot bears to the aggregate number of Lots located on the Property, except those owned by Declarant which are not assessed in accordance with Section 5.5.1 above. The Association's governing body may, at its discretion, waive the Regular Assessment for any year or part of a year for any Lot not occupied as a residence.

Section 5.6 Billing. The Association shall inform each Lot Owner of the amount of the total Regular Assessment due from the Owner of that particular Lot. This Regular Assessment may be paid in monthly installments or as otherwise required by the Association. The Owner of each Lot must pay his Lot's required Regular Assessment in advance on the first calendar day of each month, unless the Association otherwise directs. Payment is to be made to such person at such an address as Association determines. Special Assessments are due thirty (30) days after the bill for the Special Assessment has been mailed or otherwise sent out by the Association, unless the Association otherwise directs. The Owners of the initial Lots in the Subdivision, except Declarant, shall be obligated to begin paying the Regular Assessment as of the first day of the initial conveyance of the Lot from Declarant to the Owner. If the Subdivision is expanded and additional Lots are brought into the Subdivision during a given Assessment year, those additional Lots shall begin paying the Regular Assessment on the first day of the initial conveyance of the Lot from Declarant to the Owner.

Section 5.7 Common Surplus. If the Regular Assessment collected in any given year is in excess of the actual Common Expenses for that year, the Board may, at its sole discretion (a) return each Owner's share of the Common Surplus; (b) credit each Owner's share of the Common Surplus to each Owner's payment as for the Regular Assessment for the following year; or (c) apply the Common Surplus to the reserve.

Section 5.8 Assessment Certificate. The Association shall, upon demand, at any reasonable time, furnish to any Owner liable for Assessments a certificate in writing signed by an Officer or other authorized agent of the Association, setting forth the status of said Assessments; i.e., "current", and if not current, "delinquent" and the amount due. Such certificate shall be conclusive evidence of the payment of any Assessment therein stated to have been paid. A reasonable charge to cover labor and materials may be made in advance by the Association for each certificate.

Section 5.9 Books and Records of the Association. The Association shall keep full and correct books of account. The Association shall make available to all Lot Owners and the holders of all first mortgages on Lots, current copies of the books, records and financial statements of the Association upon reasonable request during normal business hours. All funds collected by the Association shall be held and expended solely for the purposes designated by this Declaration and shall be deemed to be held for the use, benefit and account of the Association and all of the Lot Owners. All books and records must be kept in accordance with good accounting procedures and must be reviewed at least once a year by an independent accounting firm.

Section 5.10 Non-Payment of Assessment. Any Assessments levied pursuant to these covenants which is not paid on the date when due shall be delinquent and shall, together with such interest and other costs as set out elsewhere in this Declaration, thereupon become a continuing lien upon the Lot which shall bind the Lot in the hands of the then Owner and the Owner's successors and assigns.

If the Assessment is not paid within thirty (30) days after the due date, the Assessment shall bear interest at a reasonable rate of ten percent (10%) per year or at such other reasonable rate set by Association in its minutes, not to exceed the maximum amount allowed by law, and the Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot, in either of which events interest, costs and reasonable attorneys' fees shall be added to the amount of each Assessment. No Owner may waive or otherwise escape liability for the Assessments by non-use or waiver of use of the Common Areas or by abandonment of his Lot.

Section 5.11 Priority of Association Lien. The lien provided for in this Article V shall take priority over any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments and liens of bona fide first mortgages which have been filed of record before a claim of this lien hereunder has been docketed in the office of the clerk of superior court in Lee County, and may be foreclosed in the same manner as a mortgage on real property under power of sale in an action brought by the Association in accordance with the Planned Community Act. The Association is entitled to recover its reasonable attorneys' fees and court costs and collection costs, as part of the lien. In any such foreclosure action, the Association shall be entitled to become a purchaser at the foreclosure sale.

Section 5.12 Purchaser at Foreclosure Sale Subject to Declaration, Bylaws, Rules and Regulations of the Association. Any purchaser of a Lot at a foreclosure sale shall automatically become a Member of the Association and shall be subject to all the provisions of this Declaration, the Bylaws and the Rules and Regulations.

Section 5.13 Non-Liability of Foreclosure Sale Purchaser for Past Due Common Expenses. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot acquires title to the Lot as a result of foreclosure of the first mortgage first deed of trust or by deed in lieu of foreclosure, such acquirer of title, his, her or its successors and assigns, shall not be solely liable for the share of the Common Expenses or other Assessments by the Association chargeable to such Lot which

became due prior to the acquisition of title to the Lot by such acquirer, other than Assessments for which a claim of lien has been docketed with the Lee County clerk of superior court prior to the recordation of the lien being foreclosed. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from all of the Lots, including that of such acquirer, his, her or its successors or assigns. This provision shall not relieve the party acquiring title or any subsequent Owner of the subject Lot from paying future Assessments.

Section 5.14 Liability for Assessments Upon Voluntary Conveyance. In a voluntary conveyance of a Lot, any grantee or his or her first mortgagee shall inform the Board of Directors in writing of such contemplated conveyance and such grantee or first mortgagee shall be entitled to a statement from the Board of Directors of the Association setting forth the amount of all unpaid Assessments (including current Assessments) against the grantor due the Association. Neither the grantee nor the mortgagee shall be personally obligated for any delinquent Assessments, but such delinquent Assessments, along with interest, late charges, costs and reasonable attorneys fees shall be a lien against the Lot in accordance with Section 5.10 and Section 5.11 herein.

Section 5.15 Late Charge. The Association may impose a charge against any Lot Owner who fails to pay any amount assessed by the Association against his Lot within ten (10) days after such Assessments are due and payable and who fails to exercise his rights under this Declaration or under the laws of the State of North Carolina to successfully contest such Assessment. The amount of the late charge shall be the greater of (a) twenty and 00/100 Dollars (\$20.00), or (b) twenty percent (20%) of the delinquent amount, or such other amount as may be determined by the Association from time to time. Additionally, if a Lot Owner shall be in Default in payment of an installment upon an assessment or of a single monthly assessment, the Association has the right to accelerate all monthly Assessments remaining due in the current fiscal year. The total of such Assessments, together with the delinquent Assessments shall then be due and payable by the Lot Owner no later than ten (10) days after the delivery of written notice of such acceleration to the Lot Owner or twenty (20) days after mailing of such notice to him by certified mail, whichever occurs first. If such acceleration amount is not paid by the due date, the above-described late charge may be imposed on the part of such accelerated amount not paid by the due date.

Section 5.16 Miscellaneous.

5.16.1 The Association may change the interest rate due on delinquent Assessments (including any late charges), except that the rate cannot be changed more often than once every six (6) months. As of its effective date, the new interest rate will apply to all Assessments then delinquent.

5.16.2 The Owner has the sole responsibility of keeping the Association informed of the Owner's current address if different from the Lot owned. Otherwise notice sent by Association to the Lot is sufficient for any notice requirement under this Declaration.

5.16.3 The lien under this Article V arises automatically, and no notice of lien need be recorded to make the lien effective.

5.16.4 The Assessment lien includes all collection costs, including demand letters, preparation of documents, reasonable attorneys' fees, court costs, filing fees, collection fees, and any other expenses incurred by the Association in enforcing or collecting the Assessment.

5.16.5 Any Assessment otherwise payable in installments shall become immediately due and payable in full without notice upon Default in the payment of any installment. The acceleration shall be at the discretion of the Board.

5.16.6 No Owner of a Lot may exempt himself or herself from liability for his or her contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Areas or by the abandonment of his or her Lot.

5.16.7 This Section 5.16 applies to every type of Assessment.

EASEMENTS AND ENCUMBRANCES

Section 6.1 Easement for Encroachments. The Dwelling Units, all utility lines, and all other improvements as originally constructed by or on behalf of Declarant or its assigns shall have an easement to encroach upon any setback, Lot or Common Area as a result of the location of the building, utility lines and other improvements across boundary lines between and along Lots and/or the Common Areas, or as a result of building or improvement movement or alterations or additions from time to time, provided that such alterations or additions have complied with the requirements of this Declaration.

Section 6.2 Lot's Utility Easements. Easements are granted in favor of each Lot Owner to and throughout the Common Areas and, if necessary, the setback areas of any other Lots, as may be necessary for the installation, maintenance, repair and use of underground water, gas, sewer, power and other utilities and services including power and communication, now or hereafter existing, including maintaining, repairing and replacing any pipes, wires, ducts, conduits, equipment, fixtures, utility, power or communication lines or equipment, or other components. The foregoing notwithstanding, no Lot Owner (other than Declarant) may exercise the easement rights reserved in this Section 6.2 without the prior written approval of the Board as described in Section 6.6 below.

Section 6.3 Utility Easements. Easements are reserved and/or granted hereby in favor of the Declarant and/or the Association through each Lot (provided that such easements shall not materially and unreasonably interfere with the use of any dwelling located upon any Lot) and the Common Areas for the purpose of installing, laying, maintaining, repairing and replacing any pipes, wires, ducts, conduits,

equipment, fixtures, utility, power or communication lines or equipment, or other components throughout the Common Areas. Without limiting any other provision in this Article 6, it is understood that Declarant's easement rights reserved herein may be utilized for the benefit of property within or outside of the Subdivision. Each Lot Owner and/or his respective mortgagee by acceptance of a deed conveying such ownership interest and each mortgagee encumbering such ownership interest, as the case may be, hereby irrevocably appoint Declarant, or the Association, as the case may be, as his attorney in fact, coupled with an interest, and authorize, direct and empower such attorney, at the option of the attorney, to execute, acknowledge and record for and in the name of such Lot Owner and his mortgagee, such easements or other instruments as may be necessary to effect the purpose of this Section 6.3. The easements may be assigned and/or granted by the Declarant and/or the Association to any utility or service company.

Section 6.4 General Easements. An easement is hereby reserved and/or granted in favor of the Declarant and/or the Association in, on, over and through the Common Areas, the Lots and/or Dwelling Units for the purposes of maintaining, cleaning, repairing, improving, regulating, operating, policing, replacing and otherwise dealing with the Common Areas, Lots and/or Dwelling Units, including all improvements thereon as required or permitted by the Constituent Documents or applicable law. An easement is hereby reserved in favor of Declarant over the Common Areas for the purpose of advertising or promoting sales of Lots or Dwelling Units in the Subdivision.

Section 6.5 Access Easement. Appurtenant to each Lot is an easement over any Common Area for necessary pedestrian and vehicular ingress and egress to and from any such Lot over the Common Areas, to and from a thoroughfare. The easement shall be over such walkways, driveways, or other ways as are designated by the Declarant and/or the Association and shall be subject to the terms of the Constituent Documents.

Section 6.6 Use of Easement. Any use of the rights and easements granted and reserved in this Article VI shall be reasonable. If any damage, destruction, or disturbance occurs to a Lot or Common Area as a result of the use of any easement or right, the Lot or Common Area shall be restored by, or at the direction of, the Association promptly in a reasonable manner at the expense of the person or persons making the use of the easement or right that resulted in the damage, destruction or disturbance. Before beginning work, Association may require all or any part of the expected expense to be prepaid by that person or those persons liable for the expense. Additionally, should any Lot Owner other than Declarant elect to exercise its easement rights hereunder, it shall be required to obtain the Board's prior written approval (not to be unreasonably withheld), after providing the Board with detailed plans of its proposed work, as well as evidence of appropriate insurance and other such reasonable information or assurances as the Board may require. No easement may be granted across, through, over, or under any Lot or Common Area, which materially restricts ingress and egress to the Lot or Common Area, unless reasonable alternate ingress and egress is provided or unless the restrictions is only temporary. All easements reserved hereunder shall be perpetual and non-exclusive.

Section 6.7 Reservation of Access Easement by Declarant. Declarant reserves an easement for itself, its grantees, successor and assigns, to enter upon the Subdivision for access, including ingress and egress for both vehicles and pedestrians, to and from any public street, road, land, walkway or right-of-way. The easement shall be over the streets, sidewalks, bridges and other access ways of the Subdivision. Declarant further reserves the right to connect, at Declarant's expense, to any street, roadway, walkway or other means of access that are located on the Common Areas of the Subdivision. This reservation of access easements and the right of connection should be construed liberally in favor of the Declarant, in order to facilitate the development of all or any portion of and any additional property that Declarant desires to annex to Westfall subdivision.

Section 6.8 Reservation of Construction Easement by Declarant. The Declarant reserves the non-exclusive right and easement to temporarily go upon the Subdivision in order to complete the development of the Subdivision and the construction of the improvements to be located therein, and to develop other neighboring land. The easement should be construed broadly in favor of the Declarant, including giving Declarant the right to store temporarily construction materials, equipment or dirt. After the construction is finished, Declarant must, at Declarant's cost, repair any damage done to the Subdivision including to any landscaping. As soon as reasonably possible after Declaration has completed construction on the neighboring land, Declarant must remove all debris, equipment, materials and dirt from the Subdivision.

Section 6.9 Easements to Run with Land. All easements and rights described in this Article VI are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the Declarant, its successors and assigns, and any Owner, purchaser, mortgagee, and other person or entity now or hereafter having an interest in the Subdivision, or any part or portion of it.

ARTICLE VII

ASSOCIATION

Section 7.1 Association. The administration of the Subdivision shall be vested in the Association. The Owner of any Lot, upon acquiring title, shall automatically become a Member of the Association and shall remain a Member until such time as his ownership of such Lot ceases for any reason, at which time his membership in the Association shall automatically cease. The Association shall have full power and responsibility to administer, operate, sustain, maintain, and govern the Subdivision including but not limited to, the powers and responsibilities to make prudent investments of funds held by it; to make reasonable Rules and Regulations; to borrow money; to make Assessments; to bring lawsuits and defend lawsuits; to enter into contracts; to enforce all of the provisions of this Declaration, the Bylaws and any other documents or instruments relating to the establishment, existence, operation,

alternation of the Subdivision. The powers of the Association shall be construed liberally and shall include, without limitation, all of the powers set forth in *Section 47F-3-102* of the Planned Community Act.

Section 7.2 Board of Directors. Unless otherwise specifically stated in this Declaration, the Association shall act exclusively through its Board of Directors (the "Board"). The Board shall be authorized to delegate the administration of its duties and powers by written contract to a managing agent or administrator employed for that purpose by the Board.

Section 7.3 Limitations on Association's Duties.

7.3.1 The Association did not construct the improvements, including the Dwelling Units. The Association does not warrant in any way or for any purpose, the improvements in the Subdivision. Construction defects are not the responsibility of the Association.

7.3.2 In case of ambiguity or omission, the Board may interpret the Declaration and the other Constituent Documents, and the Board's interpretation shall be final if made without malice or fraud. Notwithstanding the foregoing, the Declarant may overrule any interpretation affecting it, for so long as Declarant owns any portion of the Property; and such interpretation cannot be enforced against the Declarant, its successors or assigns.

ARTICLE VIII

Refusal of approval of plans, location or specification by said Board of Directors or architectural control committee may be based upon any reasonable ground, including, without limitation, lack of harmony of external design, color, location or relation to surrounding structures and topography and purely aesthetic considerations which, in the discretion of said Board of Directors or architectural control committee shall deem sufficient. After approval by the Board of Directors or architectural control committee is given, no alterations may be made in such plans except by and with their

Black iron picket fencing is also specifically allowed and may be used in conjunction with stone or brick fencing. All fencing must be no higher than six (6) feet in height. Wood fences may be allowed in the discretion of the Declarant. Natural areas shall have a base of landscaping rock, pine straw or landscaping bark. Areas in the rear of a dwelling that have not been disturbed during construction may be left in their natural state if desired. Once disturbed by construction or otherwise, they shall be landscaped in the same manner as the front yard. Within 25 feet of any stream or creek no landscaping or disturbance of land is allowed. No piping in or disturbance of any stream or creek is permitted.

Section 8.12 Trash Receptacles. All trash, trash receptacles, and yard waste shall not be visible from any street except on a day for trash pickup and then they should be out for no more than 24 hours at the place designated for pick up.

In addition, the following covenants, conditions, and restrictions, as to use and occupancy shall run with the land and shall be binding upon each Lot Owner, his heirs, tenants, licensees and assigns.

Section 9.2 Compliance With Insurance Policies and Waste. Nothing shall be done or kept in any Dwelling Unit, in the Common Areas or on a Lot which will increase the rate of insurance of the buildings, or contents thereof, applicable for residential use, without the prior written consent of the Association. No Lot Owner shall permit anything to be done or kept in his or her Dwelling Unit, in the Common Areas or on a Lot which will result in the cancellation of insurance on the buildings, or contents thereof, or which would be in violation of any law. No waste will be committed in the Common Areas. All laws shall be obeyed.

Section 9.3 Animals and Pets. No Kennels may be allowed on any lot. This shall mean that no more than three dogs may be kept on any lot at a time. A dog with puppies is excluded until the puppies are eight weeks old. All dogs shall be fenced and not allowed to run wild in the subdivision, meaning outside a fence a dog must be on a leash. Specifically, no Rottweiler or pit bull dogs or mixes thereof shall be allowed in the subdivision. No more than three cats are allowed on any lot or in any dwelling. Kittens are allowed in excess of this number until they are eight weeks old. All other pets must be kept indoors. No pet shall be a nuisance to the neighbors in the subdivision. ARTICLE X

ENFORCEMENT

Section 10.1 Enforcement.

10.1.1 The Association or any Lot Owner may enforce these covenants, conditions and restrictions. Enforcement of these covenants, conditions and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate ("Violating Party") any covenant, condition or restriction, either to restrain or enjoin violation or to recover damages, and against the land to enforce any lien created by these covenants. In addition to all other amounts due on account of said violation or attempted violation, the Violating Party shall be liable to the parties enforcing the covenants and/or restrictions of this Declaration (the "Enforcing Parties") for all reasonable attorney's fees and court costs incurred by the Enforcing Parties. Failure or forbearance by the Association or any Owner to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any lawsuit filed to enforce this Declaration by injunction or restraint, there shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or any attempted violation or breach of any of the within covenants, conditions or restrictions cannot be adequately remedied by action at law or by recovery of damages.

10.1.2 In addition to all other remedies of the Association, the Association shall have the right to assess a maximum fine of \$150.00 per day (or such higher amount as may be allowed by law) per violation against any Owner who violates any provision of this Declaration or the Articles, Bylaws or Rules and Regulations of the Association after such Owner has been given notice of the violation and an opportunity to be heard with respect to the violation in accordance with such policies and procedures as may be adopted from time to time by the Board of Directors or as may be set forth in the Bylaws.

10.1.3 In addition to the above rights, the Association may also enter upon a Lot or any land upon which a violation exists to remove any violation, perform maintenance or make repairs thereon which is the responsibility of a Lot Owner who has failed to remove said violation or to perform such maintenance or make such repairs (i) after having given such owner at least ten (10) days prior notice, or (ii) without giving notice in the event of an emergency.

Any action brought by the Association hereunder may be brought in its own name, in the name of its Board or in the name of its managing agent. In any case of flagrant or repeated violation by a Lot Owner, he or she may be required by the Association to give sufficient surety or sureties for his or her future compliance with the covenants, conditions and restrictions contained in this Declaration, the Bylaws and the Rules and Regulations.

Section 10.2 Severability. Invalidation of any one of these covenants, conditions or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 10.3 Restrictions Run With Land. The easements or other permanent rights or interests are herein created, the covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any Dwelling Unit subject to this Declaration, their respective legal representatives, heirs, successors, and assigns.

Section 10.4 Amendment. During the Development Period, only the Declarant may amend this Declaration. During the Development Period, the Declarant shall have the unrestricted right to amend this Declaration for any reason, at any time and from time to time. Thereafter, the Association may amend this Declaration at any time, as long as the amendment is consistent with the design, scheme and purposes of this Declaration. To be effective, any such amendment proposed by the Association must be passed by the affirmative vote or written agreement of the Owners to whom not less than sixty seven percent (67%) of all of the votes in the Association are allocated in accordance with Section 4.4 and Section 4.5 above. Any amendment must be recorded in the Lee County Register of Deeds. Following the end of the Development Period, no such agreement to amend, in whole or in part, shall be effective unless written notice of the proposed amendment is sent to every Member at least thirty (30) days in advance of any action taken, and no such amendment shall be effective with respect to any permanent easements or other permanent rights or interests relating to the Common Areas herein created (unless such amendment is consented to in writing by Declarant and all other beneficiaries of such permanent easements, rights of interests).

Section 10.5 Reservation of Special Declarant Rights. Declarant reserves the right to maintain sales and management offices, model units, construction trailers, storage or staging areas, and advertising signs upon Lots or the Common Areas and upon Lots owned by it until the expiration of the Development Period and to exercise all other "Special Declarant Rights" as defined in the Planned Community Act. Without limiting the foregoing, and notwithstanding anything herein to the contrary, during the Development Period, Declarant shall have the right to annex additional Lots or Common

Areas into the Subdivision by filing a supplement to this Declaration in the Lee County Register of Deeds together with an amendment to the Plat (if applicable). Such additional Lots or Common Areas must be contiguous to the Property. Declarant shall have the right to assign all or a portion of any rights or easements reserved herein by a written assignment thereof, recorded in the Lee County Register of Deeds.

Section 10.6 Management and Service Contracts. Any agreement for the professional management of the Subdivision of the Common Areas may not exceed three (3) years and shall provide for termination by either party without cause and without payment of a termination fee upon reasonable notice.

Section 10.7 Binding Determination. In the event of any dispute or disagreement with or between any Owner(s) relating to, or of any other disputes, disagreements or questions regarding, the interpretation or application of the provisions of this Declaration or the Articles or Bylaws of the Association, the determination thereof (i) by Declarant for so long as Declarant retains control of the Association; and (ii) thereafter by the Board of Directors of the Association shall be final and binding on each and all such Owners; providing that any determination which directly or indirectly affects Declarant shall require Declarant's prior consent to become binding upon Declarant.

Section 10.8 Captions and Titles. All captions, titles or headings in this Declaration are for the purpose of reference and convenience only and are not deemed to limit, modify or otherwise affect any of the provisions hereof, or to be used in determining the intent or context thereof.

Section 10.9 Notices. Except as otherwise provided in this Declaration, any notice to any Owner under this Declaration shall be in writing, shall be effective on the earlier of (i) the date when received by such Owner, or (ii) the date which is three days after mailing (postage prepaid) to the last address of such Owner set forth in the books of the Association. The address of an Owner shall be at his Lot (or any of them if more than one) unless otherwise specified in writing to the Association. The Articles and Bylaws shall specify the permissible manner of giving notice for voting and all other Association matters for which the manner of giving notice is not prescribed in this Declaration.

Section 10.10 Governing Law. This Declaration shall be deemed to be made under, and shall be construed in accordance with and shall be governed by, the laws of the State of North Carolina, and suit to enforce any provision hereof or to obtain any remedy with respect hereto shall be brought in state court in Lee County, and for this purpose each Owner by becoming such hereby expressly and irrevocably consents to the jurisdiction of said court.

ARTICLE XI

Any Mortgagee of a Lot can make the request for notification. The notification shall be sent not later than the 65th day after the occurrence of an uncured Default.

Section 11.2 **Rights of First Refusal.** Any right of first refusal now or hereafter contained in this Declaration or any amendment or modification hereto or otherwise arising in favor of the Association or certain Owners shall not apply to or preclude or impair in any way the right of the first Mortgagee to (i) foreclose or take title to the Lot pursuant to the remedies provided in its mortgage; (ii) accept a deed or assignment in lieu of foreclosure in the event of a default under the Mortgage; or (iii) sell or lease a Lot and Dwelling Unit acquired by the Mortgagee.

Section 11.3 **Rights of Mortgagee.** Unless at least seventy five percent (75%) of the Mortgagees (based upon one vote for each first mortgage or deed of trust owned), and a vote of seventy-five percent (75%) of the votes allocated to the Members entitled to vote hereunder, the Association shall not:

11.3.1 by an act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Subdivision or Common Areas or improvements located thereon which are owned directly or indirectly by the Association.;

Section 11.5 **Taxes and Insurance.** Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Lot and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Lot, and first mortgagees making such payments shall be owed immediate reimbursement therefor from the Lot Owner.

Section 11.6 Insurance Proceeds and Condemnation Awards. No provision of this Declaration or any other document or instrument affecting the title to the Property, Common Areas, any Lot or the organization or operation of the Association shall give an Owner or any other party priority over any rights of first mortgagees of Lots within the Subdivision pursuant to their mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Common Areas.

ARTICLE XII
