Declarant may devote any lot or portion thereof, not already sold, for any construction and uses which it, in its discretion, deems necessary in order to provide the subdivision with utilities.

Section 5. Utility Easements. Easements for installation and maintenance for utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage, or which may obstruct or retard the flow of water. All areas indicated as streets and easements on the recorded plat are hereby dedicated to public use for such uses forever except side yard easements which are for the use and benefit of those persons and lots described herein.

ARTICLE III RESTRICTIONS

Section 1. All Lots shall be used for residential purposes only and shall not be used for any business or commercial purposes, provided, however, that Declarant reserves the right to use any Lot and any improvement thereon owned by Declarant as a model home with sales office. Group family homes are prohibited.

Section 2. All Lots shall be residential lots, and no structure shall be erected, altered, placed or permitted to remain on any of said lots except one detached single family dwelling of not more than two and one-half stories in height, a private garage for not more than three cars and other out-buildings in the rear of the dwelling house which may be incidental to normal residential use in subdivisions of similar category. Manufactured metal buildings may also be placed on the lot for storage. No mobile home (Class A or B) or modular home will be allowed on any lot to which these covenants apply.

Section 3. No dwelling shall be erected or allowed to remain on any of the said lots which shall contain a heated-area living space of less than one thousand four hundred [1,400] square feet. Heated-area living space shall mean the ordinary living space in a house which is designed and constructed so as to be capable of being heated for regular living use in cold weather. In the computation of floor space, furnace room areas, garages, carports, and porches shall not be counted. No residence or other building, and no fence, wall, utility yard, driveway, swimming pool or other structure or improvement, regardless of size or purposes, whether attached to or detached from the main residence, shall be commenced, placed, erected or allowed to remain on any building lot, nor shall any addition to or exterior change or alteration thereto be made, unless and until building plans and specifications covering the same, showing the nature, kind, shape, height, size, materials, floor plans, exterior color schemes with paint samples, location and orientation on the building lot and approximate square footage, construction schedule, on-site sewage and water facilities, and such other information as the Declarant shall require, including, if so required, plans for the grading and landscaping of the building lot showing any changes proposed to be made in the elevation of surface contours of the land, have been submitted to and approved in writing by the Declarant and until a copy of all such plans and specifications, as finally approved by the Declarant have been lodged permanently with the Declarant. The Declarant shall have the absolute and exclusive right to refuse to approve any such building plans and specifications and lot-grading and landscaping plans which are not suitable or desirable in its opinion for any reason, including purely aesthetic reasons connected with future development plans of the Declarant of said land or contiguous lands. In passing upon such building plans and specifications and lot-grading and landscaping plans, the

Declarant may take into consideration the suitability and desirability of the proposed construction and of the materials of which the same are proposed to be built to the building lot upon which it proposes to erect the same, the quality of the proposed workmanship and materials, the harmony of external design with the surrounding neighborhood and existing structures therein, and the effect and appearance of such construction as viewed from neighboring properties. In the event the Declarant fails to approve or disapprove such building plans and specifications within thirty (30) days after the same have been submitted to it as required above, or the foundation of the building has been completed and approved by the local building inspection department, the approval of the Declarant shall be presumed and the provisions of this paragraph shall be deemed to have been complied with. However, no residence or other building, structure or improvements which violates any of the covenants and restrictions herein contained or which is not in harmony with the surrounding neighborhood and the existing structures therein shall be erected or allowed to remain on any part of a lot. All driveways shall be constructed of concrete.

Section 4. All structures shall comply with (i) the City of Fayetteville ordinances with regard to all set-back requirements and (ii) such set-back requirements as are set forth on the plats of Arran's Cove. The building line set-back as provided for in this paragraph may be varied by as much as ten (10) percent with the express consent of Declarant, which said consent document need not be on record in the Office of the Register of Deeds, Cumberland County, North Carolina.

Section 5. No fences may be erected closer to any street line than the corner of the house closest to the street line. No fences made of concrete block, chain link, wire, or what is commonly known as "chicken wire" shall be permitted anywhere on the lot. No fence shall exceed six (6) feet in height. The property and finished side of the fencing located on the rear property line of lots 13 thru 24, along Fisher Road, will be maintained by the Home Owners Association. Homeowners of lots 13 thru 24 give an expressed easement for fence maintenance.

Section 6. Television satellite or dish antennas having a diameter in excess of twenty-two inches (22") are prohibited. In no case shall antennas be placed in front yards.

Section 7. No sign or signs other than a "For Sale" or "For Rent" sign shall be displayed on the property.

Section 8. No automobile or motor vehicle may be dismantled or stored on said property; and no mechanically defective automobile, motor vehicle, mechanical machine, or machinery, shall be placed or allowed to remain on said property for over thirty-five (35) days. Notwithstanding the above, these restrictions shall not apply if such vehicle is kept in an enclosed garage. Commercial vehicles, camper trailers, trailers, and/or boats shall be stored at the rear of the residence and shall be within the yard set-backs. If more than two of the above non-private vehicles, trailers or boats are stored on any lot, they shall be screened from view of other lots.

Section 9. No trailer, tent, shack, garage, storage building, barn or similar type outbuilding shall be placed, erected or allowed to remain on said property without the written consent of Declarant, its successors or assigns. Nor shall any structure of a temporary character be used as a residence temporarily, permanently or otherwise.

Section 10. Only break-away mailboxes may be constructed in the subdivision; it being the intention of the Declarant to preclude the erection of permanently constructed mailboxes in the North Carolina State Right-of-Way areas.

Section 11. It is understood and agreed that these restrictions are made for the mutual benefit of the grantors and grantees and any and all subsequent grantees, and all such parties shall be deemed to have a vested interest in these restrictions and the right to enforce same.

Section 12. The invalidation of any one or more or any part of any one or more of the covenants and conditions set forth herein shall not affect or invalidate the remaining covenants or portions thereof.

Section 13. No animals or poultry of any kind, except common pets, shall be placed or kept on any part of the Property. No breed of dog that may be perceived by members of the general public as being dangerous or having a propensity for being dangerous, nor any dog that has at any time bitten a person, nor any dog that has been trained as an attack dog, shall be permitted on the Property. Any dog house or dog containment structure or system must be located to the rear of the

the principal dwelling structure and must be located within thirty feet (30') of the rear of the main structure. No such permitted dog house or dog containment structure or system shall be placed, erected or maintained closer to any street than the rear corner or side of the principal dwelling structure on improved lots or closer to any street than the setback line on any vacant lot, and in no event closer to any street than thirty feet (30'). On improved corner lots, no dog house or dog containment structure or system shall be placed any closer to the street than the rear corner of the principal dwelling structure closest to the street, or, on vacant lots, closer to any street than the setback line, and in no event closer to any street than thirty feet (30').

Section 14. Each Lot shall be maintained in a neat condition by the Owner thereof. In this context, the work "Lot" shall include that portion of the property from the outside of the structure on the applicable Lot to the adjacent paved road surface. All Lots upon which a dwelling has been constructed ("Improved Lots") must have grass lawns. No gravel or similar type lawns are permitted. For Improved Lots, "neat" shall require, at a minimum, that the front yard of each Lot, and in the case of corner lots, the side of each Lot along the side abutting roadways, be sodded, be regularly cut and fertilized, and that mulched or pinestrawed areas be regularly re-mulched or re-pinestrawed and kept weeded so that its appearance is in harmony with the neighborhood. No Owner shall allow the grass on an Improved Lot to grow to a height in excess of six (6) inches, measured from the surface of the ground. For unimproved Lots, "Neat" shall require that the Lot is maintained in a slightly condition, free of debris, rubbish, weeds and high grass and in a prudent and reasonable manner harmonious with that of the other Lots within the subdivision.

ARTICLE IV MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. **Membership.** Every Owner shall be a member of the Association. The Declarant acting through its designated officers, employees and agents shall be a member of the Association. In the case of multiple ownership of any Lot in Arran's Cove subdivision, each Owner shall be a member, subject to such limitations and fees established by the Declarant and Review Board from time to time. Membership in the Association shall be mandatory for each original purchaser and each successive purchaser of a Lot.

Section 2. **Voting Rights.** The Association shall have one type of regular voting membership. Each Owner shall be entitled to one (1) vote for each Lot which he owns. If a dwelling unit is constructed on more than one (1) Lot, the Owner shall have only one (1) vote so long as such lot remains a part of the consolidated site.

When any Lot entitling the Owner to membership of the Association is owned of record in the name of two (2) or more persons or entities, whether fiduciaries, joint tenants, tenants-in-common, tenants-in-partnership or in any other manner of joint or common ownership, or if two (2) or more persons or entities have the same fiduciary relationship respecting the same Lot, then the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Section 3. **Composition of Board.** The Association shall be governed by a Board of Directors consisting initially of three (3) persons, with the number in subsequent years to be determined as provided for in the By-Laws of the Association. The Declarant shall have the right to appoint and remove all three (3) persons on the Board and to appoint and remove all officers of the Association during the period of Declarant control.

Section 4. **Cumulative Voting Prohibited.** Each Owner shall be entitled to as many votes as equals the number of votes he is ordinarily entitled to multiplied by the number of Directors to be elected, but may not cast all of such votes for any one (1) Director and must distribute them among the number to be voted for, and all votes must be cast in whole numbers and not fractions thereof. It is the intent of this Section to prohibit cumulative voting.

ARTICLE V
PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Owners' Easement of Enjoyment in Common Properties. Subject to the provisions of these Covenants, the rules and regulations of the Association, and any fees or charges established by the Association, every Owner and every tenant and guest of such Owner shall have a right of easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title of every Lot. The privilege granted to guests and tenants of Owners to use and enjoy the Common Properties, subject to the rules, regulations and fees, if any, established by the Association for such use, may be denied to or withdrawn from such guests or tenants by an affirmative vote of ninety percent (90%) of the votes cast at a meeting of the Association called for the purpose of voting on such denial or withdrawal.

Section 2. Title to Common Properties. The Declarant covenants for itself, its successors or assigns, that it shall convey to the Association by limited warranty deed the "Common Properties" or "Common Area" prior to the end of the period of Declarant control. All said parcels of land may be conveyed to the Association subject to: (1) all restrictive covenants of record at that time, including but by no means limited to this Declaration; (2) all existing mortgages; (3) a reservation by the Declarant of the right to substitute or add new mortgages thereon; provided, however, that in no event shall the Association be obligated to assume the payment of principal or interest on any such mortgage; and (4) easements reserved by the Declarant herein for special declarant rights.

Section 3. Extent of Owners' Easement. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) the right of the Association, in accordance with its Bylaws, to borrow money from the Declarant or any other lender for the purpose of improving and/or maintaining the Common Properties and providing services authorized herein and in aid thereof to mortgage said properties;

(b) the right of the Association to take such steps as are reasonably necessary to protect the above-described properties against foreclosure;

(c) the right of the Association, as provided in its By-laws to suspend the rights and easements of enjoyment of any Owner, or any tenant or guest of any Owner, for any period during which the payment of any assessment against any lot owned by such Owner remains delinquent, and for any period not to exceed sixty (60) days for any infraction of its published rules and regulations, it being understood that any suspension for either nonpayment of any assessment or a breach of the rules and regulations of the Association shall not constitute a waiver or discharge of the Owner's obligation to pay the assessment; and

(d) the right of the Association to charge reasonable admission and other fees for the use of the Common Properties and any facilities included therein;

(e) the right of the Declarant or the Association by its Board of Directors to dedicate or transfer to any public or private utility, utility easements on any part of the Common Properties; and

(f) the right of the Association to give or sell all or any part of the Common Properties, including leasehold interests, to any public agency, authority, public service district, or private concern for such other purposes and subject to such conditions as may be agreed to by the Owners, provided that no such gift or sale or determination as to the purposes or as to the conditions thereof shall be effective unless such dedication, transfer and determination as to purposes and conditions shall be authorized by (i) the Declarant as long as it owns any portion of the Property and (ii) the affirmative vote of three-fourths (3/4) of the votes cast at a duly called meeting of the Association, subject to the quorum requirements established herein and unless written notice of the

meeting and of the proposed agreement and action thereunder is sent to every Owner of the Association at least thirty (30) days prior to such meeting. A true copy of such resolution together with a certificate of the results of the vote taken thereon shall be made and acknowledged by an officer of the Association and such certificate shall be annexed to any instrument of dedication or transfer affecting the Common Properties prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the membership and shall not apply to roads, water, sewer and storm drainage dedicated or deeded to the City of Fayetteville or County of Cumberland by the Declarant. The Declarant may make such dedications or conveyances without the members' consent; and

(g) the special Declarant rights reserved herein.

ARTICLE VI COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges which are Common Expenses; (2) special assessments for extraordinary maintenance and capital improvements; (3) special assessments for purchase, construction or reconstruction of improvements; and (4) to the appropriate governmental taxing authority, a pro rata share of assessments for public improvement to the Common Properties if the Association shall default in payment thereof.

The annual and special assessments, together with interest, costs, late charges, fines, and reasonable attorney's fees for collection, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

The Association shall also have the authority, through the Board of Directors, to establish, fix and levy a special assessment on any Lot to secure the liability of the Owner thereof to the association arising from breach by such Owner of any of the provisions of this Declaration which breach shall require the expenditure of time and money or both, by the Association for repair or remedy.

Each Owner covenants, for himself, his heirs, successors and assigns, to pay each assessment levied by the Association on the Lot described in such conveyance to him within ten (10) days of the due date as established by the Board, and further covenants that if said assessment shall not be paid within thirty (30) days of the due date, the payment of such assessment shall be in default and the amount thereof become a lien upon said Owner's Lot as provided herein and shall continue to be such lien until fully paid.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the paying of Common Expenses to promote the recreation, health, safety, and welfare of the Owners of Lots; and, in particular, but not limited to, for the acquisition, improvement and maintenance of services, amenities and facilities, and for the use and enjoyment of the Common Properties, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Properties, the procurement and maintenance of insurance in accordance with the Bylaws or as deemed appropriate by the Board, the employment

of counsel, accountants and other professionals for the Association when necessary, all expenses in connection with the Association's responsibilities under the ARRAN'S COVE DECLARATION OF COVENANTS For Maintenance of Storm water Structural Controls recorded in the Cumberland County, NC, Registry, and such other needs as may arise.

Section 3. Amount of Assessment.

(a) Criteria for establishing Annual Assessment. In establishing the annual assessment for any assessment year, the Board of Directors shall consider all current cost and expenses of the Association, any accrued debts, and reserves for future needs.

(b) Board Authority until such time as the Board affirmatively establishes an initial assessment, the assessment shall be \$120.00 annually to be paid when the Lot as improved is sold.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Properties, any extraordinary maintenance, including fixtures and personal property related thereto and any property for which the Association is responsible provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Owners who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Replacement Reserve. Out of the Common Expenses assessment, the Board may create and maintain a reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Properties which the Association may be obligated to maintain.

Section 6. Notice and Quorum For Any Action Authorized Under Section 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 shall be sent to all Owners not less than 10 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of Owners or of proxies entitled to cast fifty-one percent (51%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five (25%) percent of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis or other periodic basis established by the Board.

Section 8. Date of Commencement of Annual Assessments; Due Dates; Working Capital
The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the passage of a resolution by the Board duly establishing same. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge if it deems appropriate, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of issuance. Notwithstanding the foregoing, there shall be a one-time working capital fee of \$150.00 to be paid to the Association the first time the Lot as improved is sold.

Section 9. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be delinquent, in default and shall bear interest from the due date at the highest rate then permitted by North Carolina law not to exceed eighteen (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same plus interest, costs, late payment charges and reasonable attorneys' fees, or foreclose the lien against the Lot. During the period of development control, in the event that the Association fails to take reasonable steps to collect delinquent assessments from lot owners, an owner may bring a derivative action for the same purpose upon prior demand upon the Association and reasonable notice. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Lot.

The lien herein granted unto the Association shall be enforceable pursuant to Article 2A of Chapter 45 of the General Statutes from and after the time of recording a Claim of Lien in the Office of the Clerk of Superior Court in the County in which the Property is located in the manner provided therefore by Article 8 of Chapter 44 of the North Carolina General Statutes, which claim shall state the description of the Lot encumbered thereby, the name of the record owner, the amount due and date when due. The claim of lien shall be recordable any time after thirty (30) days after the due date of the assessment or any installment thereof and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid.
